

An aerial photograph of a landscape featuring a large, dense forest in the foreground and middle ground. To the left and top right, there are residential areas with houses and buildings. A red line is drawn across the map, starting from the left edge, extending horizontally, then turning right and then down to form a rectangular shape. The map is covered with numerous small, light blue numerical values representing elevation or coordinates. The text 'Orientacyjny Zakres robót' is written in red, bold, sans-serif font across the middle of the map, partially overlapping the red line.
